Treasurer Leonard to speak at conference

(Columbus, OH) Franklin County Ed Leonard will present to attendees of the 26th annual Conference and Membership meeting of the Ohio Government Finance Officers Association on Friday, September 13 at the Hilton Easton at 11:00am

The topic of his presentation will be “Ohio Land Banks”, in which he will highlight the creation and mission of the Franklin County Land Bank, operated by the Central Ohio Community Improvement Corporation (COCIC).

The purpose of the Government Finance Officers Association is to enhance and promote the professional management of governments for the public benefit by identifying and developing financial policies and best practices and promoting their use through education, training, facilitation of member networking, and leadership. This statewide group represents finance officers at the state, county, and local levels.

“I am excited to pass on what we are doing here in Franklin County, in hopes that the members of the GFOA can take the information back and perhaps enhance their own communities, if the resources are available,” states Treasurer Ed Leonard.
